

The Hill Elementary School PTA will be holding its annual Hill Country Carnival on October 28th, 2018, from 11:00am - 3:00pm. This is a fun afternoon for our Hill families & surrounding community to raise money for the school that will be used to enhance the education of our children, and we would greatly appreciate your support.

Hill Families: Show your school spirit by sponsoring a carnival booth in your family's name or share a booth with another family.

Local Business Owners and Professionals: Sponsorships are a great opportunity for your business to reach more than a thousand local community members, show support for Hill, & help make carnival a success. Sign up as a Hill Partner in Education (PIE) and your Carnival sponsorship of \$250 or more will count toward your PIE level and may provide additional benefits.

Becoming a sponsor is easy! Go online at www.hillelementary.com/carnival
