

## 2020 Murchison Middle School Tours and Incoming Family Information

**Student Visit:** Murchison will host all the 5th-grade students on the morning of January 24th.

**Parent Tours:** The MMS PTA will be hosting tours the following week for parents. Simply show up and join a group for a tour of the campus. Enter off the circle drive on N Hills. If you are planning to come Monday morning, please expect traffic and plan for the time needed to park and sign in. Office staff will need to prioritize students arriving for class right before 8:30 am - we appreciate your patience! Bring your driver's license, even if you have signed in at your elementary campus.

Tours will be held:

- Monday the 27th - 8:30-10:30 am
- Tuesday the 28th - 11:30 - 1:30 pm
- Wednesday the 29th - 11:30-1:30 pm

**Course Sheet Night:** Join us on the MMS Campus on February 4th from 5:30 - 8 pm. This is your opportunity to visit with the different departments and see what course options are available at MMS. This is not when you submit your course sheet - that happens through your elementary school.

**Shadowing:** Students who are trying to choose between two school options can request a shadow at MMS. Please contact Melissa Seaton for more information. [melissa.seaton@austinisd.org](mailto:melissa.seaton@austinisd.org)

**PTA Newsletter:** I would also like to invite your 5th-grade families to subscribe to our PTA Newsletter. That way, when we start sending out information about the new school year, they will not miss out on anything. We also love to have our incoming students attend Matador Fest in April and all the information about that event will be available in the PTA News.
