AFTER SCHOOL CODING CLASSES

CLASSES AT HILL ELEMENTARY

LITTLE CODERS

Grades K - 2

Mon, 3:05pm-4:05pm
Feb 3 - May 4 (no class on Mar 16)
\$249 / 13-week session

Get them started early! The Little Coders class provides young students with the basics of computational thinking skills, such as loops and conditionals, through a fun blend of hands-on activities. The curriculum is built specifically for this age group, with a mix of activities from coding puzzles and board games to easy-to-use, drag-and-drop programming tools. Projects are updated each session, so returning students will have new challenges to work through and advance their knowledge.

Registrations at www.CodingWithKids.com/session/15154

GAME DEVELOPMENT / BEGINNER-INTERMEDIATE

Grades 3 - 5

Tue, 3:05pm-4:05pm
Feb 4 - May 5 (no class on Mar 17)
\$249 / 13-week session

This course introduces kids to computer programming through the fun and excitement of building video games. Working in Scratch, a drag-and-drop programming tool, students will create everything from animations to multi-level games. **Beginner Students** will learn the core concepts of programming a game, such as loops, conditionals, and variables. **Intermediate Students** will level-up to more complex concepts, like nested conditionals and functions with parameters. Projects are updated each session, so returning students will have new challenges to work through and advance their creativity and knowledge to the next level.

Hill Elementary

Does your child have a great sense of humor to complement his or her artistic skills? If so, your child will LOVE a Young Rembrandts cartoon class. Students will learn how to personify inanimate objects and transform ordinary pets into colorful characters. We will illustrate amazing alien beings, and demonstrate that drawing toys can be just as much fun as playing with them. All this and more await our students. Enroll today!

iPianoLab

after school keyboard club

iPianoLab Keyboard Clubs are the fresh, fun way to learn piano or keyboard, **right at school!** While most traditional methods concentrate on months of drills and “baby” tunes before a student gets to play “real” music, **iPianoLab** teaches kids the keyboard basics on songs they really like! *Imagine Dragons, Super Mario, Old Town Road, Panic at the Disco, Star Wars*, even **Bach** and **Beethoven** are all in reach right from the first lesson! We break the music down into simple, great sounding arrangements kids love to play. And a child who likes practicing their songs is a child who can make rapid progress on the instrument!

And **iPianoLab** isn't just fun, but a comprehensive, progressive, 30 week course that teaches ALL the keyboard basics in a friendly class setting using an innovative, easy-to-understand VISUAL approach!!!

- **Grades K and up:** 9:1 student - teacher ratio means *lots* of individual attention!
- **Students progress at their own pace:** Students can join at anytime throughout the year and learn new skills within each six-week level!
- **5 Progressive levels throughout the year:** Class meets for 1 hr per week **on campus** right after school.
 - **Level 1; Number Card™** (Teaches Melodies, Musical Alphabet, Bass Notes.)
 - **Level 2; Lines and Spaces™** Treble Staff.
 - **Level 3; Lines and Spaces™** Grand Staff.
 - **Level 4; Intro to Chords.**
 - **Level 5; Chordometer™** Teaches how to form and play ALL Maj, Min, and Sus 4 Chords.
- **Portable keyboard lab set up right at school!** Keyboard and headphones will be provided for each child enrolled.
- **No keyboard at home?** Visit our website for a first time buyer's guide to help you find an inexpensive keyboard.
- **All learning materials and songs provided.** Recitals, fun games and contests!!!
- **Includes free access** to our online site where students and parents can download video lessons, as well as songs, exercises and more!
- **\$139** per 6 week class. Visit our site, www.ipianolab.com for more info!
