• From: Brian Donovan (Trojan Youth Lacrosse Association Of Northwest Austin, Inc.)

Hello Trojan Family –

We are excited to continue forward from our Fall clinics into our upcoming Spring Season. If your son did not attend the Fall clinics it is OKAY. The Spring Season consists of weekday practices and weekend games from late January to mid-May. The point is, there will be plenty of lacrosse for everybody. If you are new, or know other families interested in trying lacrosse, this Spring season will be a great opportunity for players of ALL SKILL LEVELS!
