

DILLO! DILLO! ATX!
Hoopla 2022, Q2 Stadium
Home of Austin FC

Celebrate the Hill community at Q2 Stadium on Friday, April 8th at 6:30 PM. Don your best FC gear and join us at the Captain Morgan Club for food, cocktails, fundraising and entertainment.

We are Hill. We are Austin. Somos Verde.

Listos,

The Hill Hoopla Committee
Alexis Holder and Jessica McKay (co-chairs)

FAQs

What is Hoopla? Hill Hoopla is our school's largest fundraiser and is the primary opportunity to provide our kids with more resources in the classroom. All parents, staff and community members are encouraged to attend. All proceeds go straight back to our kids to improve their overall educational experience.

What's fun about a fundraiser? It's a party! Our focus this year is on community building. We have an amazing night planned that brings all Hill families together to celebrate our amazing school. We also encourage you to talk with folks who have attended Hoopla in the past. You won't want to miss out on the fun!

What should I expect? There will be music, street tacos, a queso fountain, cocktails, dancing, a chance to bid on silent and teacher auctions and buy in parties – and the unique opportunity to attend a private event at Austin FC's Q2 Stadium!

How do I participate? Ticket sales will begin the second week of March. Buy a ticket and show up in your favorite FC gear.

What's a buy-in party? It's a party hosted/donated by Hill families. All money raised goes straight to the school. There are adult parties, kid parties and grade level parties to choose from. This is a fun and amazing way to connect with the Hill community and give back to the school.

What are teacher auction items? These are unique experiences for our kids, that are donated and created by our amazing teachers, and can be bid on the night of the event – similar to a buy-in party. For example, "teacher for the day" or "a popcorn party at recess with two friends."

What is the silent auction? We have a team soliciting donations from businesses around Austin. We will package these donations and then post them for bidding the night of the event.
