## Hill Elementary

Does your child have a great sense of humor to complement his or her artistic skills? If so, your child will LOVE a Young Rembrandts cartooning class. Students will learn how to personify inanimate objects and draw exaggerated expressions to transform ordinary people, pets and things into colorful characters. They will learn to visually depict motion and action, and how to illustrate a joke. All this and more await our students. Enroll today! **For students in Kinder-5th grades.**
